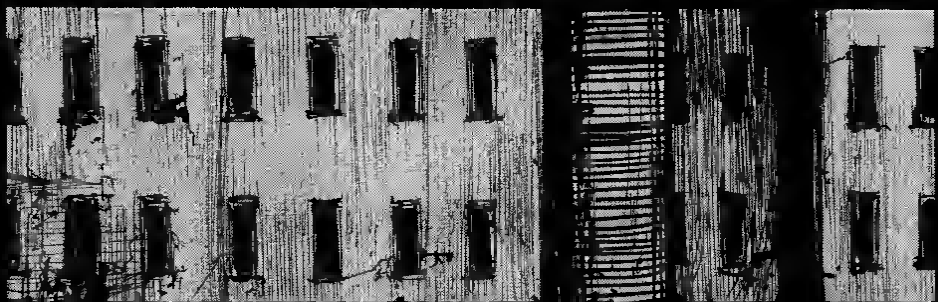
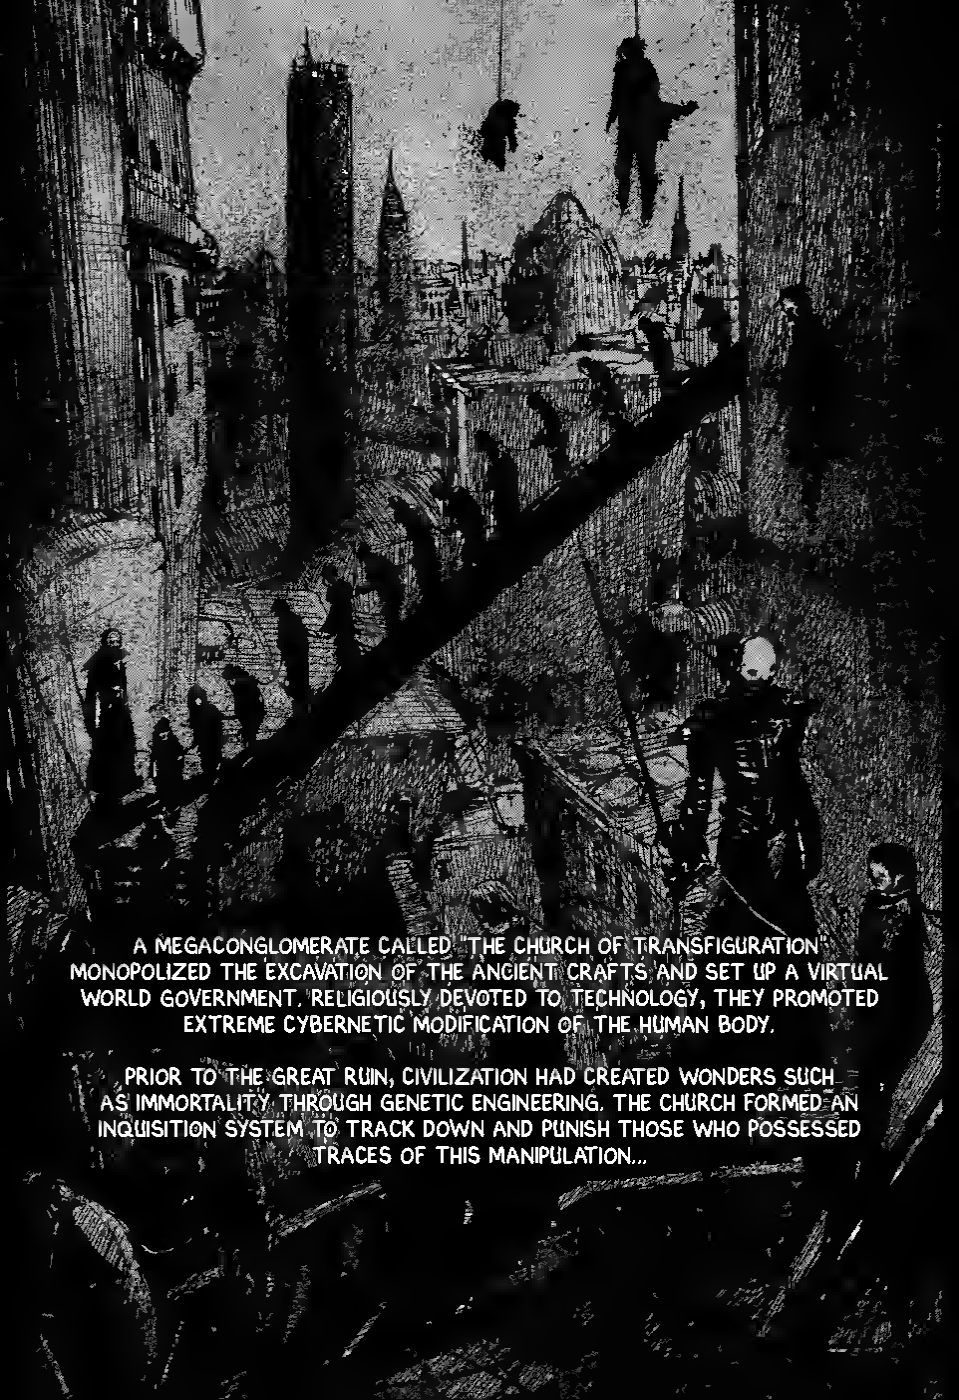
PART ONE

Concluded next issue — Ultra Jump premiere! A magnificent sci-fi short to set the manga world abuzz!



We will now carry out a search of every home. Meanwhile, we will exact immediate punishment on anyone who comes out of the building without permission.
This building is surrounded by the Inquisition.
HE'S OUT.
WE'VE ALL PASSED THE ANNUAL TEST AGAIN AND AGAIN! THERE ARE NO HERETICS IN THIS BUILDING!!
WAIT!

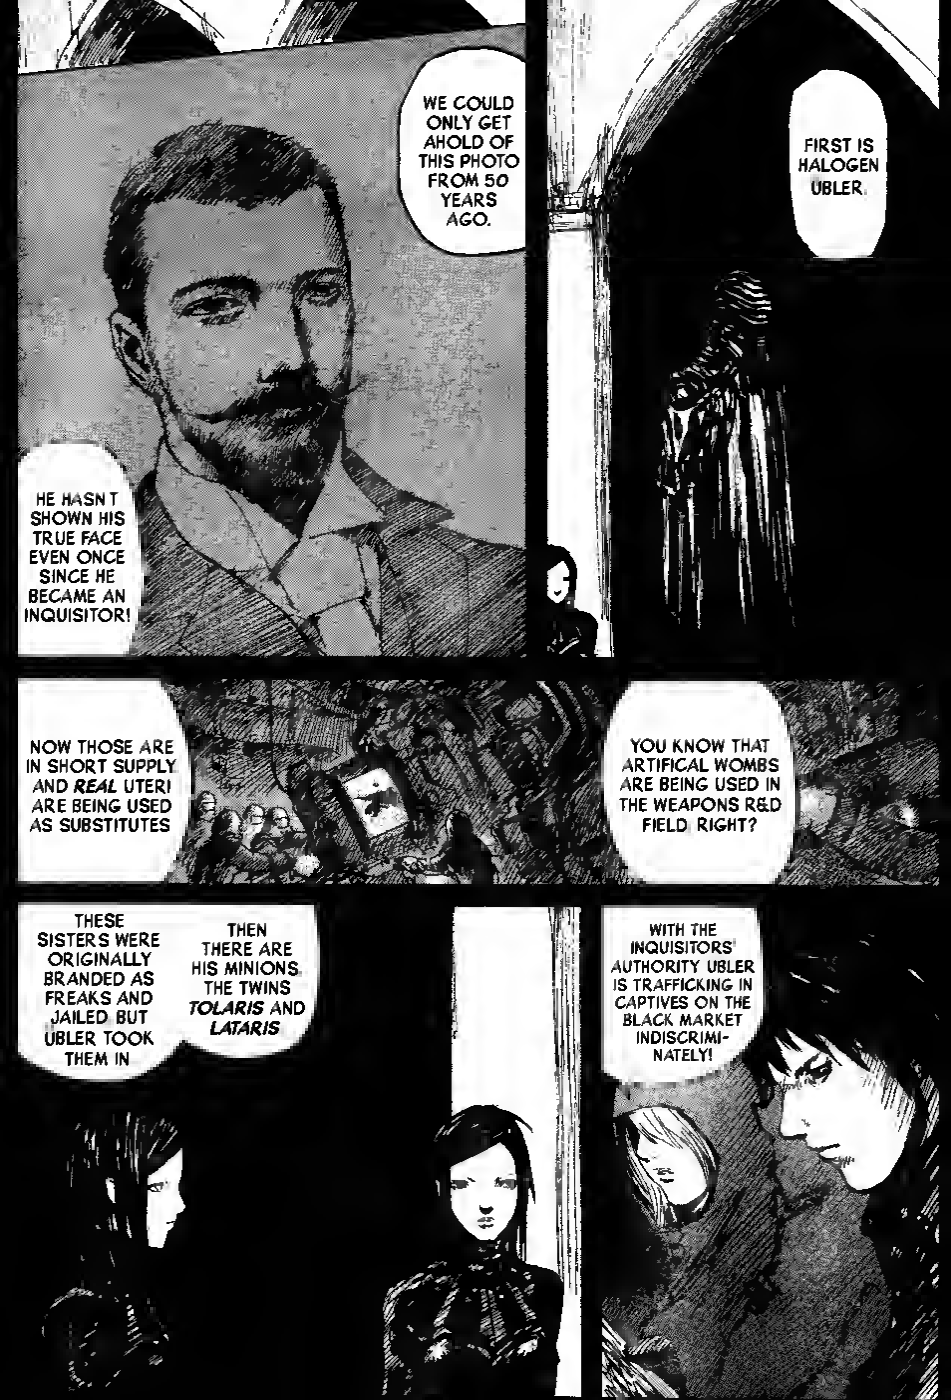
PSHOOM
Begin.
KYAAAA!
BAM



A MEGACONGLOMERATE CALLED "THE CHURCH OF TRANSFIGURATION" MONOPOLIZED THE EXCAVATION OF THE ANCIENT CRAFTS AND SET UP A VIRTUAL WORLD GOVERNMENT. RELIGIOUSLY DEVOTED TO TECHNOLOGY, THEY PROMOTED EXTREME CYBERNETIC MODIFICATION OF THE HUMAN BODY.
PRIOR TO THE GREAT RUIN, CIVILIZATION HAD CREATED WONDERS SUCH AS IMMORTALITY THROUGH GENETIC ENGINEERING. THE CHURCH FORMED AN INQUISITION SYSTEM TO TRACK DOWN AND PUNISH THOSE WHO POSSESSED TRACES OF THIS MANIPULATION...

WOULD IT BE ALL RIGHT FOR US TO SIT HERE?

THREE TARGETS THIS TIME.
THESE ARE THE INQUISITORS OCCUPYING THE ONRI PENINSULA



WE COULD ONLY GET AHOLD OF THIS PHOTO FROM 50 YEARS AGO.
HE HASN'T SHOWN HIS TRUE FACE EVEN ONCE SINCE HE BECAME AN INQUISITOR!
FIRST IS HALOGEN ÜBLER.
NOW THOSE ARE IN SHORT SUPPLY AND *REAL* UTERI ARE BEING USED AS SUBSTITUTES
YOU KNOW THAT ARTIFICAL WOMBS ARE BEING USED IN THE WEAPONS R&D FIELD RIGHT?
THESE SISTERS WERE ORIGINALLY BRANDED AS FREAKS AND JAILED BUT ÜBLER TOOK THEM IN
THEN THERE ARE HIS MINIONS THE TWINS *TOLARIS* AND *LATARIS*
WITH THE INQUISITORS' AUTHORITY ÜBLER IS TRAFFICKING IN CAPTIVES ON THE BLACK MARKET INDISCRIMI-NATELY!

ON TOP OF THEIR GENETIC CHARACTERISTICS THEY'VE UNDERGONE MANY EXPENSIVE OPERATIONS! BE CAREFUL
WHEN CAN YOU DO IT?
DETAILS ARE IN THE DOSSIER
BESIDES THE USUAL FEE, WE'LL PAY A BONUS IF YOU CAN SUCCESSFULLY DESTROY ÜBLER'S BASE.
TONIGHT.

COME ON!
I SWIPED HER FROM A CONTAINER THEY WERE ABOUT TO CARRY OUT
WHAT'S WITH THE GIRL!?
HUH!?
BAD IDEA, IDIOT!
RELAX. NOBODY HAS TO FIND OUT.
ÜBLER'S GOT US WORKING LONGER AND LONGER FOR THIS RACKET! I'D CALL IT "OVERTIME PAYMENT"

INTERMISSION

Translation notes
- "Übler" means "evil one" in German.
- "Onri" could mean "honorable separation" or "imperial separation."
- I don't know what the twins' names are supposed to mean (if anything).
